

Bio Lube™

Superior Performance

Bio Lube™ has an application to fit every dental office need.

Bio Lube™ Advanced Handpiece Lubricant

Synthetic biodegradable handpiece lubricant. Safe for all handpieces. Nontoxic and nonflammable. No need to lubricate after sterilization. Bio Lube eliminates problems long associated with sterilization. Reconditions bearing cages and O-rings to stay pliable.

Bio Lube™ Advanced Handpiece Cleaner

Eliminates sticky residue caused by traditional lubrication that leads to sluggish handpiece syndrome and failure. It works by evaporating old oil, dried blood, and saliva from internal parts and frees up frozen turbines.

- ① & ② **BIO-CL-24:** Intro Kit, 7 oz. aerosol lubricant and cleaner.
- ① **BIO-L-12:** 1-7 oz. aerosol lubricant
- ② **BIO-C-12:** 1-7 oz. aerosol cleaner
- ③ **BIO-L2-12:** 1- 2 oz. needle dropper bottle
